REMARKS

A Notice of Allowability was issued June 8, 2006 in the above-identified application, in which claims 1-15, 17-22 and 27 were indicated as allowed. The Notice of Allowability included an Examiner's Amendment, deleting the recitation of "prophylaxis" from claims 13, 17 and 27.

Upon review of the allowed claims, it was noted that seven (7) number strings, composed of five (5) digits, were introduced by mistake into the version of claim 12 presented in the Amendment and Request for Reconsideration filed in response to the September 20, 2005 Official Action in this application.

A previous Amendment Under 37 CFR §1.312, filed June 29, 2006, ("the original Rule 312 Amendment") in order to delete the aforementioned number strings. However, the original Rule 312 Amendment did not include the Examiner's Amendment.

The purpose of this Supplemental Rule 312 Amendment is to delete the aforementioned number strings from claim 1, correct a minor informality in claim 14 and to properly reflect the Examiner's Amendment.

It is respectfully requested that the Examiner enter this Supplemental Rule 312 amendment, as the issue fee for this application has not yet been paid and there is no need to withdraw the application from issue. The Examiner is also requested to refuse entry of, and otherwise disregard the original Rule 312 Amendment.

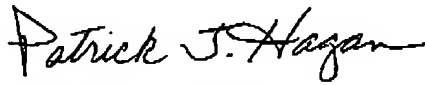

The undersigned is taking this opportunity to submit an Application Data Sheet providing the residential address of

co-applicant David Rys.

In the event that any fee is required in connection with the consideration of this Supplemental Rule 312 Amendment, the Commissioner is authorized to charge such fee to the deposit account of the undersigned attorneys, Deposit Account No. 04-1406.

Respectfully submitted,
